- Training

Basically, I am retired – BUT – Open to interesting projects to solve problems

I make computer systems run great – Tell me your problems

I offer a distinctive blend of vision, creative problem solving & computer skills with a collaborative style of leadership that gets quick results that everyone can use.

90% of my listed “Technical Profile” were learned at my client sites. I achieve the best of any technology because all are applications that were designed to solve a particular job. I just need to learn how to marry the client’s technology to the task at hand.

Plain and simply, I get things done. With my extensive experience, I have many supporting stories. Just ask, chances are I have already solved your typical kinds of problems elsewhere.
